Joffre the game – 100th Anniversary

- The deck is composed of 32 cards and is divided into 4 sets of 8 cards each
  (includes white rigid box with clear cover).
- Printed on Casino Style Cardboard
- Each set has a different color and represents the 4 countries.
- Each country has 8 cards, 7 of which are numbered from 1 to 7 in this way:

1. Caporal
2. Sergeant
3. Lieutenant
4. Captain
5. Major
6. Colonel

- The eighth card of each series has no number and is of lesser value than any other respective card. For the France set, this 8th card represents the JOFFRE, for Germany the KAISER; for England and Russia, it bears only the name of the country.
