POKER SIZE - CASINO STYLE

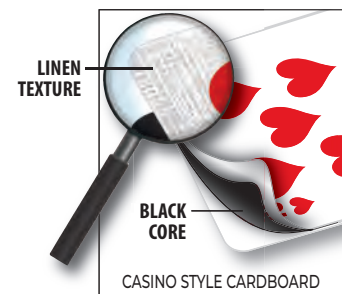

Why choose the POKER size?

Although it is obvious that the popularity of poker is increasing worldwide, POKER cards can be used in many ways for advertising purposes. Compared to other marketing tools, POKER cards are a very inexpensive way to build awareness and ensure longevity of your brand.

Whether you want to commemorate an event, organize a promotion, share a moment with friends, promote your company or cause, we are here to help. Our high-quality POKER sets include 52 cards + 2 jokers + 1 blank card printed on a textured (linen paper) for a distinguished look. Printing your logo/image on the back of the card will give the deck a unique character. You can even add your company's vision and slogan. Our decks of cards are packaged in a window tuck box, allowing you to see your logo. An option of upgrading to different style box or a higher-end box is also available on pages 10, 11 et 12.
