Therefore, we cannot accept any other carrier or customer account numbers.

"SELF-PROMO" Distributors only: Use the end quantity pricing. Minimum order of 100 card decks.

PLAYING CARDS

Personalize your deck of cards!

Dare to stand out by offering a unique customer experience with a corporate gift personalized to your image. Our personalized cards strengthens the link between the brand and consumers and reinforce your company's image. Place your company logo and/or image on the back of the cards to give it a unique character. You can even add your company's vision and slogan.

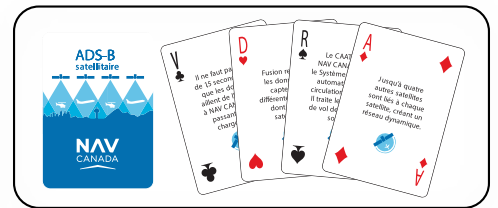

Our decks of cards are packaged in a window tuck box, allowing you to see your logo. An option of upgrading to a different box style or a high-end box is also available.

See pages 10, 11 and 12.

Can be order in multiple of 25 only.

POKER SIZE - CASINO STYLE

Why choose the POKER size?

Although it is obvious that the popularity of poker is increasing worldwide, POKER cards can be used in many ways for advertising purposes. Compared to other marketing tools, POKER cards are a very inexpensive way to build awareness and ensure longevity of your brand.

Whether you want to commemorate an event, organize a promotion, share a moment with friends, promote your company or cause, we are here to help. Our high-quality POKER sets include 52 cards + 2 jokers + 1 blank card printed on a textured (linen paper) for a distinguished look. Printing your logo/image on the back of the card will give the deck a unique character. You can even add your company's vision and slogan. Our decks of cards are packaged in a window tuck box, allowing you to see your logo. An option of upgrading to different style box or a higher-end box is also available on pages 10, 11 et 12.

Can be order in multiple of 20 only.

Rigid box with clear vinyl lid

The rigid box is certainly the one you wish to have to give a more distinguished and refined look to your products. A rigid recycled cardboard bottom covered with white coated paper and a transparent lid made of 100% recyclable plastic (PET) that closes inside the box compliment the product inside.

This box is ideal for your personalized decks of cards as well as your small promotional products since its rigidity offers additional protection to your products.

Select your style of figures!

The standard deck of 52 cards + 2 wild cards is the most widely used playing cards today. In order to set you apart from the competition, we offer you a wide selection of figure styles at no extra cost! Simply indicate the letter that corresponds to the model on your order form.

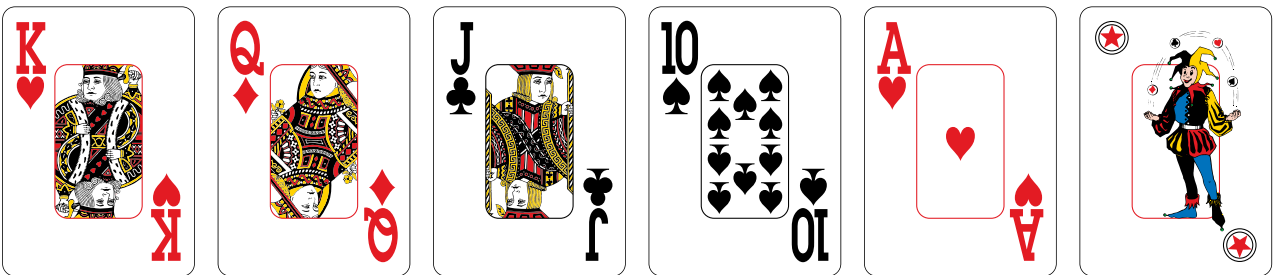

Example: 6000 - B

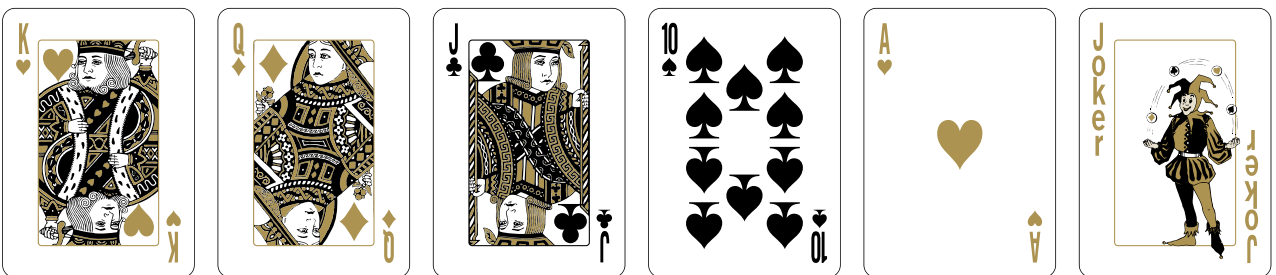

A = "Classic"

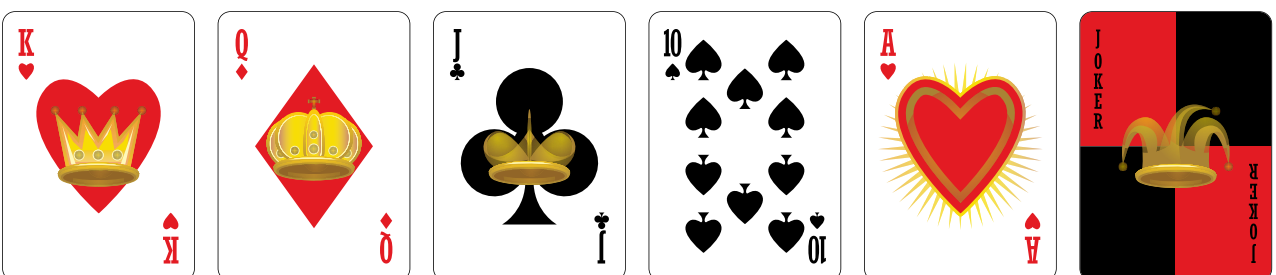

B = « Classic - With Big Numbers »

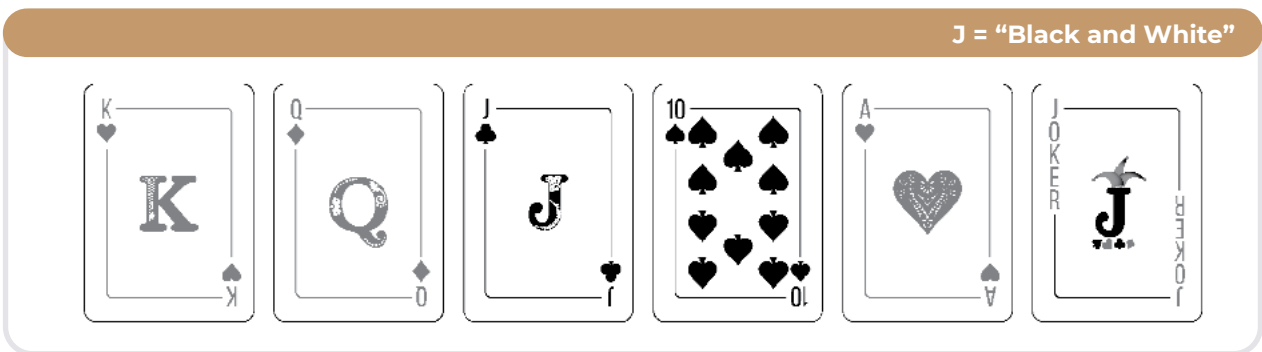

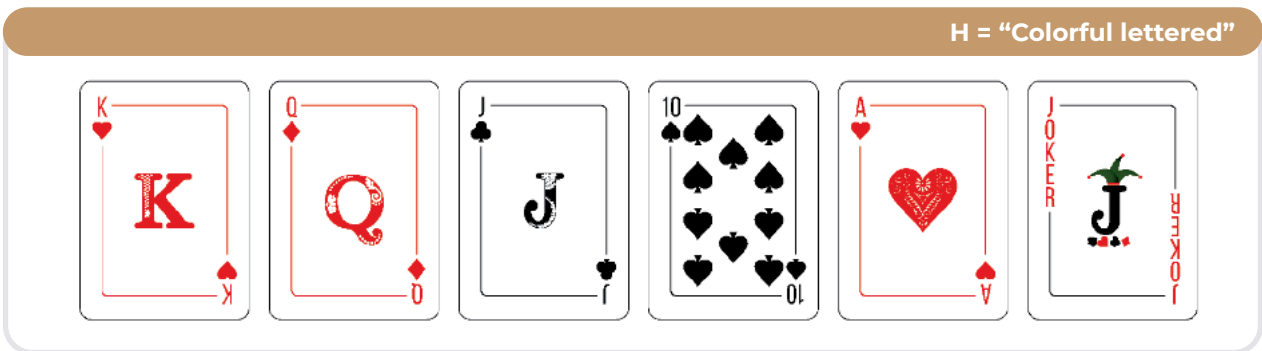

C = "Black and Yellow Gold"

D = "Monarchy"

Joffre the game – 100th Anniversary

- ◆ Issued from the World War I, Joffre recalls the great powers: France, England, Russia, Germany.
- ◆ The deck is composed of 32 cards and is divided into 4 sets of 8 cards each (includes white rigid box with clear cover).
- ◆ Printed on Casino Style Cardboard
- ◆ Each set has a different color and represents the 4 countries.
- ◆ Each country has 8 cards, 7 of which are numbered from 1 to 7 in this way:
 1. Caporal
 2. Sergeant
 3. Lieutenant
 4. Captain
 5. Major
 6. Colonel
 7. General
- ◆ The eighth card of each series has no number and is of lesser value than any other respective card. For the France set, this 8th card represents the JOFFRE, for Germany the KAISER; for England and Russia, it bears only the name of the country.
- ◆ The ultimate goal of the game is to get the JOFFRE and give the KAISER to the other team.

Included: Rigid white box with clear vinyl cover.

Personalization: The cards can be sold as is or personalized with your design on the front of each cards.
